Fri 27th Oct- Breakfast Club Open Morning between 8-8.30am.

Mon 30th Oct - Thur 2nd Nov - Mid-term break.

**Fri 3rd Nov** - School Closed for staff training.

#### Online Safety

### **Internet Safety**

Top tips for keeping your child safe online -

- Keep the computer/tablet in a communal area of the home.
- Be aware that children have access to the Internet via gaming stations as well as portable devices such as smart phones.
- Monitor on-line time and be aware of too many hours spent on the Internet.
- Take an interest in what your children are doing and discuss what they are seeing/using on the Internet.

Remember - your children might be internet savvy, but we want them to be internet SAFE.

# Parent Coffee Morning:

Our first Parent Coffee Morning will be held on Thursday 5th October at 9.15am in the staffroom. All parents are warmly invited to join us for coffee, tea, scones and a chat. We would also like to take the opportunity to discuss how together, we can keep our children safe online. All who attend will be entered into a prize draw to win a family pass to the cinema. We hope to see you there! Mrs Esler & Miss Kane.

#### **Digital Leaders:**

Meet the P6/7 Ballykeel Digital Leaders who will have many jobs throughout the school, such as organising the Computer Suite, updating iPads and supporting younger pupils with logging on and locating different apps or programs. Digital Leaders also help to promote the safe and

responsible use of the Internet. They are able to advise other pupils and design posters to create awareness of our ESafety rules.

### P7JH visit to Jungle NI

P7JH enjoyed a trip to Jungle NI on Monday 18th September to take part in a celebration event funded by Radius Housing. This was to mark participation in a Ballymena Schools project which the class completed in Primary 6.

The children had a great day out, with zorbing, archery and llama walking just a few of the activities on offer. Following a tasty lunch, Lisa Mooney from Radius Housing led a short prize ceremony, where each school received a piece of glassware for participation in the project.

## AR Information | Morning

There was such a fantastic turn out for the AR information session for parents. The parents/carers of children from P4-P7 were given a brief over-view of AR and how it helps children to become more successful in their independent reading. They learned of ways teachers in school promote and encourage children to read and were given pointers on how to reinforce this at home too.

#### S.U. - Fist Pump 5

Every week Eve and Craig from Scripture Union come to our class to deliver the Fist Pump Five program. This is always a great opportunity to talk about how we manage our feelings and improve our understanding of others. This week we focused on how we connect with family and friends. We discussed who we can reach out to and who can help us. We also thought about how we can help the people around us and be a good friend to them.

## Travelling Book Fair & Macmillan Coffee morning

The Book Fair and Macmillan Coffee Morning returned to school last week. It was such a fantastic day which saw many parents attending with their children, buying books and enjoying a chat over a cuppa. The sales made on books went well above any expectations, with purchases totalling £3190.00! This means that our school will receive around £1800 rewards in books. A huge thanks to each one of you who made the effort to come along.

You were also very generous in your donations to Macmillan charity and as a school community we raised £580.00. Thank you once again for all your support.
