

## Communication with Parents

As you are aware, we make every effort to ensure that parents have access to important School information, events and important dates throughout the year.

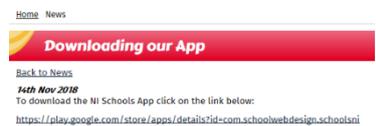

In an effort to reduce cost and paper usage we will be using the School Website and App to communicate with Parents, rather than paper notes.

To continue to receive information from school you will need to download the App which will send notifications, messages, emails and school documents (such as the Ballykeel Bugle or Canteen Menu) directly to your phone.

Search for the 'Schools NI' App or click the link

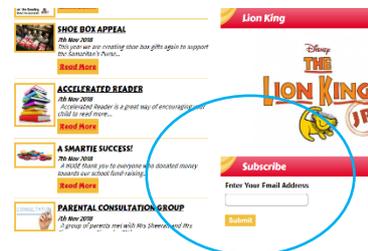

<https://play.google.com/store/apps/details?id=com.schoolwebdesign.schoolsni> and follow

the instructions to install the App on your phone. Please make sure you have checked your phone settings to ensure you can receive notifications from the App.

You may also find it useful to subscribe to our Website by entering your email address on the Home page.

Should you experience difficulties accessing the App/emails, paper copies of documents such as the Bugle and dinner menu will be available for you to collect from the school office.

Please complete and return the slip below.

-----  
I have installed the App.

I have subscribed to the School Website.
