- *Make sure I am on time each day*
- *Take an interest in what I am doing in school*
- *Attend the 'Meet the Teacher' at the beginning to each year so you can see my classroom and meet my new teacher*

- *Help me with my homework – make sure I know my spellings and tables. Hear me read and ask me questions about my reading book, and if I am stuck help me with the written homework*
- *Do not take me out of school for holidays.*

## A SMARTIE SUCCESS!

A HUGE thank you to everyone who donated money towards our school fund-raising. An amazing amount of **£2235.45** was raised in total. This money will go towards supporting our own school funds.

On the last day of half-term, we had a 'Smarties Party' day to celebrate everyone's hard work. The day consisted of dressing up in colourful clothing as a non-uniform day and completing lots of colourful activities, including a whole school 'Smarties pants' art challenge! P1-P3 classes enjoyed having a 'Smarties Party' in their classrooms, taking part in a variety of different games including a colourful pass the parcel, guess the colour game and musical statues. P4-P7 children also participated in some traditional party games with a colourful twist, as well as some exciting science experiments. Mrs Bradley and her team provided a lovely colourful lunch in the canteen too!

Thank you again to everyone for your kind generosity. Thank you also to the shops who donated the Smartie tubes. They were the Candy Corner at Ballykeel, Spar at the Rosses, Today's Extra in Harryville, Wyse Byse and The Phoenix Garage.

## BALLYKEEL PS School Council

**Election** - The School Council Election buzz was in full force in the week running up to this year's big vote. Following the tireless canvassing for votes, the following children were appointed to office to serve for the year:  
**P4CC – Lily-Rose Wright**  
**P4JT – Alex Mawhinney**  
**P5MA – Alfie Abraham**  
**P5BE – Codie Brown**  
**P6JF – Jamie Quigley**  
**P6SM – Bethany Herbison**  
**P7JH – Kyle Harkness**  
**P7SG – Eli Redmond**  
*Well done to all who ran in this year's election!*

## ACCELERATED READER

Accelerated Reader is a great way of encouraging your child to read more. Each child begins this programme by taking a computer based quiz which gives them a level. They choose books within this level from the class library. All P4-P7 classes participate in this and children are given time to read books in school and we encourage them to read

at home. After finishing their book, each child takes a computer based quiz which tests how accurately they have been reading. In school we convert these scores into points which children can collect and exchange for prizes (wear your slippers in class, voucher for a canteen break etc.). Please support us in this by:

- *encouraging your child to read accurately,*
- *ask them how many points they have accumulated*
- *remind them to take a quiz in school.*
- *Check their Homework Diary for how many quizzes they have taken and passed*

Quiz times are: Wednesday & Thursday at 8.30am.

## YOUNG ENTERPRISE

Last week, Emma came in from Young Enterprise to teach the Primary 4's about the importance of businesses to a community and in groups we got to create our own business. We were also very lucky to have a visit from James who owns his own business in Harryville.

## THE MUSIC ROOMS

In October we were delighted to welcome five musicians from The Music Rooms into school. They told the children a little bit about each of their instruments and then played songs which highlighted each one. The children really enjoyed clapping and singing along, and some of the teachers did too ... watch the video on our website to see and hear more! If your child is interested in music lessons, perhaps give The Music Rooms a shout on 0845 680 3405 or visit them online at

## SHOE BOX APPEAL

This year we are creating shoe box gifts again to support the Samaritan's Purse Children's Appeal. Your child will be learning about this in school and then will hopefully contribute one small item to their class' shoe box. As always we really appreciate your generosity in supporting charity work in school. Hopefully these shoe box gifts will make Christmas special for children across Europe this year.

## FOOTBALL NEWS

Friday 5<sup>th</sup> October saw the annual Owen Daley 7-a-side Tournament taking place at the Ballymena Showgrounds.

### Team:

**Marc Agnew (GK), Eli Redmond, Jamie Acheson, James Dickson, Gary Kenny (C), Bobby Crawford, Calvin Termonia, Calum Matchett, Cavan Cully**

Having won the group stage with 14 points, Ballykeel progressed to the semi-final where tough opposition was met in the shape of a well organised Broughshane side. After normal time, extra time and a period of golden goal play, the scoreline remained locked at 0-0. Penalties were required to separate the teams, and it was Broughshane who advanced to the final with a 2-1 shootout win.

A big well done to each player who took part, especially to those who stepped up to make their senior team debut.
