

Goodbye to Our Primary 7's

Wednesday 23rd will be the last day for our Primary 7s. While we know that the last 2 years have been disrupted for them, we are so proud of the way they adapted and continued to work hard in school. The staff and I hope that they continue to build on what they have been taught here and that they remain strong and resilient young people as they move on to the next stage of their education. We are so delighted they got a day visit to Woodhall today and they will be having a fun few days next week where we will give out prizes, they will have a disco, barbeque and some fun on an inflatable assault course. Here are each classes' best memories of school:

Top Ten Memories for P7JH
