## P3RO Super Spellers

Congratulations to Mr. O'Hare's class as all children got full marks in their spellings and tables test on Friday 14th January.

## Our New SUNI School's Worker

We are delighted to have Eve Lowry as our new Scripture Union school's worker. She will be coming in to school over the next few weeks to introduce herself to the children and to lead each class in an assembly.

This term Eve will also be coming in to do a variety of RE lessons with the P5 and P6 classes. She will run the 'Amazing Jesus' programme with P5 and the 'Fist Pump 5' programme with P6.

## Take 5 Week

This week our focus is on the **5 steps to well-being** and each day we will practise one in particular.

- Mon 24th - Keep Learning
- Tues 25th - Connect
- Wed 26th - Be Active/Take Notice
- Thurs 27th - Be Active/Take Notice
- Fri 28th - Give

**Fitness Freddie** will be in school on Wednesday and Thursday to help us 'Be Active'. On these 2 days the children are allowed to come to school in sporty clothes.

## INNOV8 With P7

Cullybackey College visited Primary 7s with their INOV-8 workshop on Friday 14th January. Usually, Cullybackey College invites the local primary schools over to them, but this year the event had to be turned into a visiting workshop. Mrs Roulston and two Sixth year pupils demonstrated different scientific experiments. We were able to take part in some of these as well. We learnt about light, chemical reactions, conductors and insulators, and the mighty power of eggs! Did you know that we can create a circuit? It was a very enjoyable and informative morning. Everyone participated enthusiastically, answering questions brilliantly and great fun was had by all! Thank you, Cullybackey College.
